Aloha! Thank you for visiting my website.

It has been an honor and pleasure to serve as your State Representative.

My husband, Dr. Stuart Lerner and I thank you for all your kind expressions of congratulations in welcoming the birth of our first child, Anna Lauren. She is a true joy.

At the Capitol, we have been working hard on important issues such as the fight against crime and crystal meth use, revamping our education system, revitalizing our economy as well as increasing access to healthcare.

In the Community, we've worked to address drug use and crime with forums on crystal meth, restored Kawanānākoa Park, helped preserve Sanju Pagoda and created community events to bring the diverse sectors of our fantastic community together.

Progress has been made but we are far from accomplishing our goals, and so I have decided to run for re-election. I ask for your support and hope you will join me in a positive vision for our community. Please re-elect Corinne W.L. Ching for State Representative for a safe, more healthy and prosperous community.
